A source on LinkedIn for Legaltech Canada, a professional networking site, has posted the results of a survey of what lawyers think about CRM software in general, and to their credit - it's a well designed study. According to this study: "The main goal in using a CRM is to help make clients and prospects as successful as possible. CRM is viewed as an essential tool for law firms and is usually the first time contact with a prospective client or prospect. The main reasons cited for not using CRM are lack of time, lack of budget, and concerns with the accuracy of data within the CRM." The results are very interesting, particularly in the chart of "Most common CRM issues" which clearly shows in first place: the impotence of CRM in assisting law firms in getting to know clients and their needs

Sudden changes in the ionic environment induce conformational changes in hemoglobin leading to functional changes in the red cell membrane and alterations in the diffusion of oxygen. Changes in the ionic environment of red cells will induce conformational changes in hemoglobin. This will change the surface-to-volume ratio of the RBC, resulting in a change of its

deformability and shape. In the case of hypochloremic shock, a shift to the left in the oxygen dissociation curve, and a direct measurement of RBC deformability, demonstrates that low extracellular Cl (less than or

2017 NCAA Division I FBS football rankings Two human polls and a media poll comprise the 2017 National Collegiate Athletic Association (NCAA) Division I Football Bowl Subdivision (FBS) football rankings, in addition to various publications' preseason polls. Unlike most sports, college football's governing body, the NCAA, does not bestow a national championship per se. Instead, as there are two different divisions within NCAA Division I FBS (formerly Division I-A), a player, team or division is only considered national champion if it finishes in the top two of its division. The preseason polls consider the results from the 2016 season, and the final UPI Coaches Poll is released on Monday following the conclusion of the bowl games. Legend AP Poll Coaches poll Crosby's Way Dixon's ratings are for syndicated television and free television on the Longhorn Network. USA Today ESPN Coaches The Coaches Poll is the highest ranked team within the BCS. This poll was released on September 9, 2017. The top 7 are listed in the table below. Rankings reflect the publication date that the ranking was issued, not the date that the poll was tabulated. For example, Nebraska was ranked 5th in the Coaches Poll on September 7, 2017, but was ranked 10th when the final Coaches Poll was tabulated on the following Monday. References Rankings Category:NCAA Division I FBS football rankingsPages Friday, April 25, 2012 Seventy years ago today, April 25, 1942, members of the United States Navy coined the phrase "If you can't fly, swim, or ride, you'd better run." Not surprisingly, during the World War II era, the military was in need of more bodies to man its troop-carrying craft. So it had no trouble recruiting the boys and girls of America for military service. Of course, some of the people they wanted to
